## INTERGOVERNMENTAL AGREEMENT

BETWEEN  
THE STATE OF ARIZONA  
AND  
THE LAKE HAVASU CITY

**THIS AGREEMENT** is entered into this date April 4, 2008, pursuant to the Arizona Revised Statutes § 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") and the LAKE HAVASU CITY, acting by and through its MAYOR and CITY COUNCIL (the "City"). The State and the City are collectively referred to as "Parties".

### I. RECITALS

1. The State is empowered by Arizona Revised Statutes § 28-401 to enter into this Agreement and has delegated to the undersigned the authority to execute this Agreement on behalf of the State.
2. The City is empowered by Arizona Revised Statutes § 11-251 and 11-951 to enter into this Agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this Agreement and has authorized the undersigned to execute this Agreement on behalf of the City.
3. By order of 23 United States Code 151, the Federal Highway Administration (FHWA) in coordination with the American Association of State Highway and Transportation Officials (AASHTO) has implemented bridge inspection standards under 23 Code of Federal Regulations 650 subpart C, The National Bridge Inspection Standards (NBIS). The NBIS requires that State must inspect, or cause to be inspected, all highway bridges located on public roads, with some exceptions. The NBIS outline requirements for inspection frequency and procedures that each State's must follow, including routine, in-depth, underwater and fracture critical member inspections, load rating, and scour plans of action. Compliance with of the NBIS is a required component in order to be eligible for Federal-Aid Highway Bridge funding.
4. A local agency has the authority to perform NBIS inspections on its Public bridges. Currently, some local agencies throughout the State perform such inspections. This agreement does not preclude a local agency from requesting to perform NBIS inspections on its public bridges.
5. The Parties wish to promote consistent inspection methodologies throughout the State.
6. The State will cover the cost of City bridge inspections through adjusting the percentage of Federal bridge funding allocated to off-system Highway Bridges.
7. The State and the City wish to enter into an agreement whereby City authorizes State to perform NBIS inspections on bridges owned or controlled by the City.

**THEREFORE**, in consideration of the mutual covenants expressed herein, it is agreed as follows.

## **II. DEFINITIONS**

### **NBI Inventoried Bridge:**

A structure including supports erected over a depression or an obstruction, such as water, highway, or railway, and having a track or passageway for carrying traffic or other moving loads, and having an opening measured along the center of the roadway of more than 20 feet between undercopings of abutments or spring lines of arches, or extreme ends of openings for multiple boxes; it may also include multiple pipes, where the clear distance between the openings is less than half of the smaller contiguous opening.

### **National Bridge Inspection Standards (NBIS):**

Federal regulations establishing requirements for Inspection procedures, frequency of inspections, qualifications of personnel, inspection reports, and preparation and maintenance of a State bridge inventory. The NBIS apply to all structures defined as bridges located on all public roads.

### **Public Road;**

Any road under the jurisdiction of and maintained by a public authority and open to public travel.

## **III. SCOPE OF WORK**

### **1. The State will:**

- a. Inspect NBI inventoried bridges owned by City according to the NBIS.
- b. Communicate with City on a timely basis and inform City of the start date of the bridge inspection; and offer to meet with the designated representatives of City to discuss the inspection.
- c. Forward the copies of completed bridge inspection report documents to the City in a timely manner, if other activities are undertaken by the State, forward the copies of the relevant documents generated for these tasks to the City.
- d. Record the updated Bridge Inspection data in the ADOT database and transmit annually to the Federal Highway Administration (FHWA).
- e. The State will not carry out any recommended maintenance or repair activities for City bridges.

### **2. The City will:**

- a. Allow and authorize the State to inspect NBI inventoried bridges owned by City according to NBIS.
- b. Grant the State any necessary Rights of Entry or permits at no fee for the completion of the State's tasks under this Agreement.
- c. Provide the State all the necessary relevant information and documents such as copies of bridge plans, average daily traffic counts, known deficiencies of the existing structures and additions/deletions to its bridge inventory.
- d. Notify the State of all new or existing structures that may meet the NBI inventoried bridge definition. Also notify the State of any NBI inventoried bridge removal, transfer, or change of ownership.
- e. Provide traffic control at no fee during the bridge inspections by the State when necessary.
- f. Once City performs the recommended repair work, forward the information and the completion date to the State.

**IV. MISCELLANEOUS PROVISIONS**

1. State may carry out its activities under this Agreement through consultants.
2. The State will not carry out any maintenance or repair activities for local agency bridges.
3. On its own discretion, City may accompany State or Consultant bridge inspection team to the bridge site and actively participate in the inspection or be an observer.
4. City may obtain a second opinion at City expense whenever it does not agree with the State's findings and recommendations for bridge maintenance or repairs. A second opinion shall be obtained by hiring qualified bridge inspection engineers to perform an inspection per NBIS and accepted bridge inspection procedures and practices and submit the completed bridge inspection documents to the State for review and acceptance. The State will make a final recommendation.
5. The Parties to this Agreement agree that neither party shall be indemnified or held harmless by the other party. However, the Parties further agree that each party shall be responsible for its own negligence. Neither the State, nor any of its officers, employees, or contractors shall be liable for any damage occurring to the City structure nor liability for any damages liability to third party unless the State or its officers, employees, or contractors cause the damages.
6. This Agreement shall become effective upon filing with the Secretary of State.
7. This Agreement may be cancelled in accordance with Arizona Revised Statutes § 38-511.
8. The Parties agree to submit any disputes arising under this Agreement to binding arbitration before the American Arbitration Association; except that are parties to the dispute other than the State and City venue shall lie in Maricopa County Superior Court, Phoenix Arizona.
9. All notices or demands upon any party to this Agreement shall be in writing and shall be delivered in person or sent by mail, addressed as follows:
